

# PHOENIX SHIPPING GROUP

## Committed To Quality

Since the 1930s, the Phoenix Shipping Group has provided safe and reliable marine transportation services to a global network of clients. By adhering to a philosophy that promotes quality, safety and reliability, the Group has built a reputation for high integrity and uncompromising business ethics. The Group strives to blend this foundation of traditional values with a forward looking culture of innovative thinking and careful planning, ensuring that it is well placed to provide a consistently excellent service to its clients in the constantly changing world of marine transportation.
